
TRANSFER BULLDOG CHECKLIST

Between Orientation and the start of class in August, we believe it's important for you and your student to spend some time together discussing their transition to MSU. Please take a moment to go over the following information, insuring your student is positioned for a successful year. As always, you are welcome to contact the Office of Parent & Family Services if you ever have questions or need guidance. Also, if your student is not living on campus, be sure to check out the Off Campus Student Services website at ocss.msstate.edu.

Encourage your student to:
